

Sciensus Rare is a pharmaceutical services company with three decades of expertise in treating, supporting and connecting **Rare** and **Ultra Rare** disease communities.

The Sciensus Rare Team has two main aims:

- ✓ Ensure all patients and their families have timely access to the Rare and Ultra Rare disease medicines and care they need
- ✓ Support Biotech and Pharmaceutical companies to safely launch, efficiently deliver and monitor vital medication.

As a company dedicated to Rare disease we have .....

**52,000+** Rare disease patients treated in their home over 3 decades

**40+** programmes with Rare disease pharmaceutical companies

**4,000+** individual contractual relationships with rare disease healthcare providers in mainland Europe

**I SUPPORT**  
**RARE DISEASE DAY**
